Ride Share Program

The House of God, Inc. Hospitality Committee is proud to offer a Ride Share Program for individuals who will need of transportation to and from the National House of God Temple during the 90th Annual Convocation. Participation in the program is based upon whether you “need a ride” or can “offer a ride.” The Ride Share Program is voluntary and participation in the Ride Share Program does not guarantee transportation.

If you need a ride or would like to offer a ride during the convocation, please see a representative at the Convocation Registration Desk or Hospitality Table. The Hospitality Committee will do its best to connect individuals willing to share a ride with those who need a ride.

Questions about the Ride Share Program should be directed to St. Love Robinson at love.robinson@houseofgod.org or 859-537-1958.
